BUILDING EXCELLENCE
PREMIER SPECIALTY CONTRACTORS SINCE 1956

Since E&K opened its doors in 1956, we have been uncompromising in our commitment to deliver the highest-quality products and services our clients demand, anywhere they need them. Today, we have grown into one of the largest interior/exterior finish contractors with offices throughout the country and a reputation for excellence — built one project at a time.

CONCRETE VALUES HELP US EXCEED YOUR EXPECTATIONS

Throughout our growth, we have never lost sight of our founding values. We continue to cultivate a deep commitment to integrity, quality, and safety, always keeping the interests of our employees, our clients, and our commitments at the top of our priorities.

QUALITY

Our commitment to total quality gives E&K a competitive edge in serving our clients. Our QUEST process is an ongoing dedication to continually improving our products, services, and people. We believe QUEST is unique among contractors and positions E&K as more than just a "good contractor" — it positions us as your partner in success.

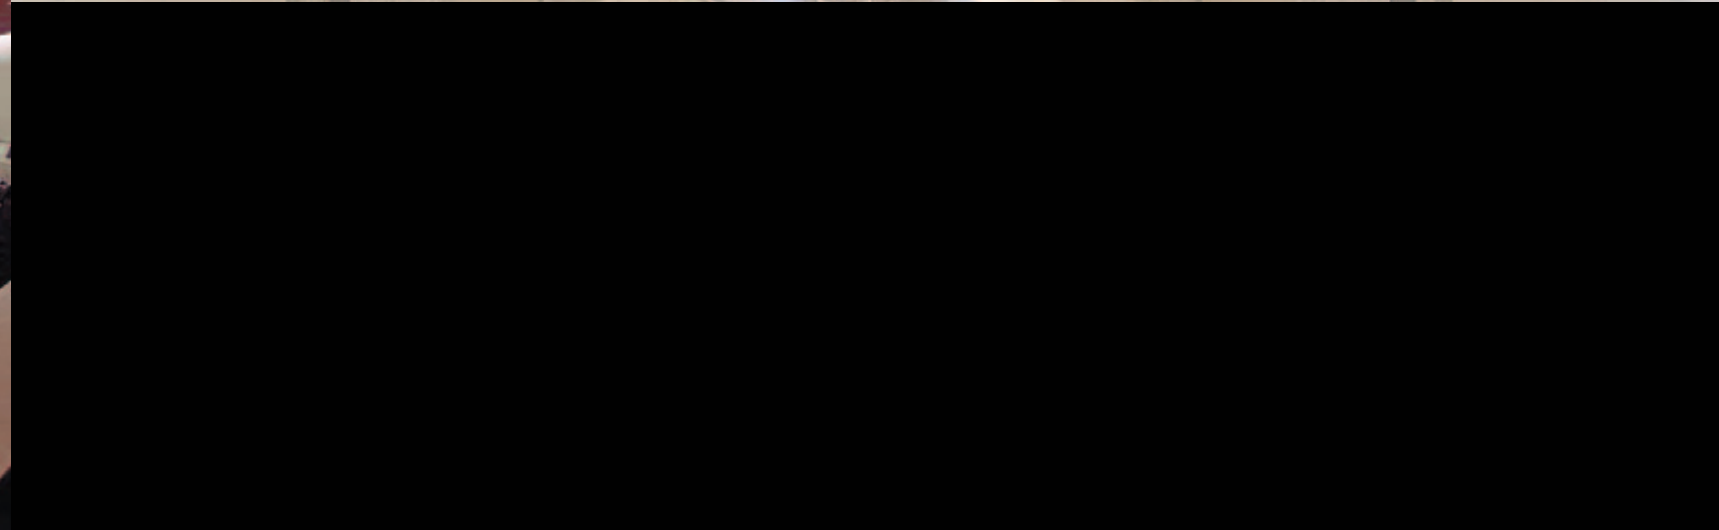

SAFETY

Our employees are our most important asset so we work hard to keep them safe. Our commitment extends to all trades on the job and the general public as well. E&K's outstanding safety record has earned us numerous awards, and we are able to maintain one of the lowest MOD ratings in the industry — saving you money and giving you peace of mind.

INTEGRITY

Integrity is part of our very foundation at E&K. We strive to do the right thing in every situation — from protecting and developing our employees and serving our clients and communities to cultivating a diverse workforce. So as our client, you can trust we have your best interests at heart.

Our steadfastness to integrity, quality, and safety will continue to fuel our growth, enabling us to realize our vision; to be the premier specialty contractor in the country. More importantly, it allows us to continue to meet — and exceed — our clients' expectations.
