A MESSAGE FROM UNIT MANAGER AND SAFETY DIRECTOR

A quick update, a sincere thank-you and a reminder of what makes E&K strong

As summer begins to wind down, I want to take a moment to thank each of you for the effort, dedication and professionalism you have shown over the past several months.

We had a great turnout for our Summer Event at Fun-Plex, and it was wonderful seeing employees and families spending time together. Events like that remind us that E&K is more than a company – we are a team and a family.

The last few months have been extremely busy as we continue making strong progress on projects throughout our market. I appreciate the hard work and commitment our project teams demonstrate every day.

We are actively pursuing opportunities in Omaha, Lincoln and beyond. Thank you to our estimating team and everyone working behind the scenes to position E&K for continued success. As new opportunities become available, including travel opportunities, please reach out if you are interested in expanding your experience and helping E&K continue to grow.

OUR CULTURE MATTERS

“Our company-wide culture makes E&K the top Interior Contractor in the Omaha market. Pride in our reputation!”

Thank you for everything you do to maintain the quality of our work, our safety record and our reputation. – Greg Williamsen
